SR MS 2/H4 47/K has caught our eye since birth. We think she will compete in the show ring but are more excited about her potential as producer in her buyer's herd. She is sired by one of our top young herd sires, SR MPact 2/H4, an ET son of the \$46,000 SR MPact 30/F2 bull owned by Vesper Ranch and the \$15,000 SR Liv 2/6 donor cow owned by Harris Riverbend Farms. 47/K is out of an excellent uddered Kilgore Ranch cow with Red Doc and Cherokee breeding. If you're looking for performance, this is your chance to be at the top of the breed! Margarita is the #3 cow in the breed for WW, #16 in the breed for VW, #2 in the breed for TM & #6 in the breed for Marbling. Primetime has produced a class winner at the national Jr. Show and Margarita is everything you look for in a functional production female.

Wendt's Dreamboat 1564 & Red Carpet 8520

This is a recreation of the mating that sold in the 2022 Baby Doll sale for \$20,500. The pedigree of this offspring will have some of the most well known animals the Santa Gertrudis breed has known over the last 20 years. Dreamboat, Red Carpet, Rifleman, Sheriff, Partner, Vegas, High Roller and Red Doc Dineo. If you're looking for your next show heifer or generational herd sire, it very well could come out of this combination.
